Cody Westphal, Student Body President and Matt Spangler, Student Body Vice President of Operations met with the SRC in October.

In November the SRC met with Mike Scott, Chair of the Retention Committee. Following the discussion with Mike there was a consensus of the committee that the undergraduate graduation rates were acceptable. However, Mike did mention the Retention Committee had not met for some time and it would be beneficial for the committee to meet soon.

Kathy Cavins-Tull met with the SRC in February.
Discussion included:

- Counseling and Mental Health services
- Health Center services
- Eating disorders
- Implications of Title IX
- Sexual Consent Policy
- Sex on sex crimes/rape crimes
- Smoking resolution
- Honor Code
- Over-lay Project
- Suicide recognition/prevention

Eric Wood Assistant Director of the Counseling and Mental Health Center met with the SRC in April. Information of services available to students, including a 24-7 counseling line implemented in November 2014, were discussed.

The Honor Code was discussed. It was determined further meetings were needed. The committee will be meeting during the summer to complete the Honor Code and have it ready for “trial” implementation for the Fall 2015 semester.
