IN RE: SB11 by Birdwell (Relating to the carrying of handguns on the campuses of and certain other locations associated with institutions of higher education; providing a criminal penalty.), Conference Committee Report

No significant fiscal implication to the State is anticipated.

The bill would amend the Government Code and Penal Code to authorize an individual possessing a valid concealed handgun license issued in the state of Texas to carry a concealed handgun on campuses or premises associated with public and private institutions of higher education. The bill would allow an institution of higher education to, within certain requirements, establish rules with respect to license holders carrying concealed handguns on the campus of the institution or on identified premises of the institution. The bill would require institutions to report to the legislature on the adopted rules. The bill would also allow an institution of higher education to establish rules governing the storage of handguns in dormitories and other residential facilities, and provides for a limitation on liability.

State institutions of higher education reported varying estimates of cost associated with implementing certain provisions of the bill, primarily with respect to health related institutions. It is assumed implementing the provisions of the bill could be absorbed within existing resources.

The bill would take effect September 1, 2015 for all institutions of higher education, save for Community Colleges, for whom the provisions apply on August 1, 2017.

Local Government Impact

Local community college districts could experience increased costs related to campus police operations, security programs, and staff training. Adaptation of community college campus facilities to accommodate the storage of handguns could result in new costs for community college districts.

Certification of Compliance with
Rule 13, Section 6(b), House Rules of Procedure

Rule 13, Section 6(b), House Rules of Procedure, requires a copy of a conference committee report signed by a majority of each committee of the conference to be furnished to each member of the committee in person or, if unable to deliver in person, by placing a copy in the member's newspaper mailbox at least one hour before the report is furnished to each member of the house under Rule 13, Section 10(a). The paper copies of the report submitted to the chief clerk under Rule 13, Section 10(b), must contain a certificate that the requirement of Rule 13, Section 6(b), has been satisfied, and that certificate must be attached to the copy of the report furnished to each member under Rule 13, Section 10(d). Failure to comply with this requirement is not a sustainable point of order under Rule 13.

I certify that a copy of the conference committee report on § 5.03.11 was furnished to each member of the conference committee in compliance with Rule 13, Section 6(b), House Rules of Procedure, before submission of the paper copies of the report to the chief clerk under Rule 13, Section 10(b), House Rules of Procedure.
